

Publishing Advisory Group – new members required

The Publishing Advisory Group is made up of a mix of Volunteers and CAMRA Staff whose prime aim is to support the Commercial Committee with all matters regarding CAMRA Publishing (The Good Beer Guide as well as all the other titles that come out each year).

We meet virtually, 4 times a year (twice for Planning and twice for Reviewing), and we are now looking to expand the Group with the addition of a couple of new volunteers.

Experience and skills required

- An open mind
- Enthusiasm for the subject matter
- Any relevant experience in either publishing, content, commercial or sales

To apply, please email alan.murphy@camra.org.uk with a brief outline of why you'd be a good fit for the Group, by 31st October 2024.
